I entered the confirmation code and the account was verified; sorry for any confusion. I'm trying to log in to add clients and need the web address to login.

So neither the link I just sent you nor the link in the email with the confirmation code work for you?

Hi Anna,

The code expires fairly quickly, so shoot me an email when you're ready to sign in today, and I'll send you a new confirmation code.

Emily,

I need a new confirmation code to sign into A2A. I wasn't able to set up my account until today.
